about the benefits of Solo® Interior/Exterior 100% Acrylic. ►

Choose **Solo® Interior/Exterior 100% Acrylic** for a high-quality finish when an acrylic paint is specified.

Count on Dependable Performance

Creates a scrubbable finish that is resistant to burnishing, wearing and blocking.

Keep Work on Schedule

This self-priming paint with a good hide produces a uniform finish in fewer coats.

Get Excellent Adhesion

Super dependable adhesion to new and previously painted surfaces, including masonry, drywall, plaster, metal and galvanized substrates.

Streamline Your Inventory

Suitable for interior and exterior doors, windows, shutters and trim, so there is less need to stock excess inventory.

Industry-leading innovation from a name you can trust. Many hours of field testing, years of research and decades of experience go into developing coatings that are better for your business. Sherwin-Williams has been committed to quality for more than 150 years and has a complete line of extraordinary paints and stains, plus rich, beautiful colors to set your work apart.
