LEAK RESISTANT!
SLIP RESISTANT!

PREMIUM LEAK RESISTANT DROPCLOTH

225% more slip resistant and 20% more drapable than 10oz canvas, the Eliminator gives you leak resistant protection that stays put where you place it. Make sure to use the coated side down. Professional grade, crack resistant butyl works well in hot or cold temperatures, never sticking or cracking. Reduce messy clean ups by protecting your jobsite with the Eliminator.
