mySW.com

To create a mySW.com profile, simply ask a Sherwin-Williams associate or your rep to create your online profile for you.

To download the Sherwin-Williams PRO app, go to the Apple App Store or Google Play.

Your single-source supplier for all the solutions that make your job easier.

Like all multi-unit property managers, you need partners you can depend on. So, at Sherwin-Williams, we brought together experts from every corner of our company to lend a hand. With our design specialists, paint advisors, and service professionals, you have the resources you need to make your communities stand out.

With a wide range of high-performance coating systems for walls, floors, roofs and concrete surfaces, we are your single-source supplier for all the solutions that help make your job easier — from capital expenditure projects to maintenance.

Color Marketing & Design Services

Color design services to help create beautifully coordinated schemes to satisfy your residents or add a splash of color to units for a bold point of differentiation. Exterior photo imaging provides a range of color options to enhance curb appeal and takes the guesswork out of color selection.

Floorcovering Solutions

More than 130 dedicated Sherwin-Williams Floorcovering Centers offer a complete selection of brand-name options of carpeting, vinyl plank and sheeting, wood and ceramic flooring plus reliable installation and fast turns.

One-Stop Shop

Find more than just paint. Shop for applicators, tools and equipment to get the job done right.

Sherwin-Williams Representatives

Your Sherwin-Williams representative is there to support you through every step of every project, from walking the project on-site and assisting with specifications to providing a final Custodian Report that details all of your products and colors for your maintenance records.

Additional Customized Solutions

- Exceptional color matching accuracy utilizing ColorSnap® Precision technology ensures consistent color throughout your properties and easy touch-up.
- With over 5,000 wallcovering patterns, we offer the most popular styles, colors and brand names.
- A wide selection of horizontal and vertical blinds are available including ready made, trim-to-width, custom special order, vinyl-aluminum, faux wood, vinyl and fabric options.

Sherwin-Williams provides a full range of coating solutions to protect and beautify every area of your multi-family facility. Your local Sherwin-Williams representative can assist in developing specifications for your performance, budget, deadline and VOC requirements.

Interior Finishes

- A** **Harmony® Zero VOC Interior Acrylic Latex**
- Reduces common indoor odors from pets, cooking and smoke and helps improve indoor air quality
 - Inhibits the growth of mold and mildew on the paint surface

Recommended Brush: Purdy Nylox

Recommended Roller Cover: Contractor Series Soft Woven

- B** **ProMar® 200 Zero VOC Interior Acrylic Latex**
- Superb durability, hide and touchup

Recommended Brush: Purdy XL

Recommended Roller Cover: Purdy Marathon

- C** **Extreme Cover™ Interior Stain Blocking Paint and Primer in One**
- Blocks stains like grease, grime, food and cigarette smoke
 - Turn units faster and avoid upcharges by eliminating spot priming

Recommended Brush: Contractor Series Nylon/Poly

Recommended Roller Cover: Contractor Series Polyester

- D** **Property Solution™ Interior Latex**
- Delivers good hide and a uniform appearance
 - Withstands mild scrubbing and easily touches up

Recommended Brush: Contractor Series Nylon/Poly

Recommended Roller Cover: Purdy Marathon

- E** **Tuff Surface™ Premium Texture Finish**
- Hides imperfections for long-lasting beauty
 - Knockdown, splatter or orange peel texture
 - Easy application with airless and conventional texture spray equipment

- F** **Pro Industrial™ Water Based Catalyzed Epoxy**
- Resistant to abrasion, impact, corrosion, chemicals, stains, scrubbing and blocking
 - Ideal for public spaces like bathrooms, hallways, fitness areas and locker rooms

- G** **Pro Industrial™ Pre-Catalyzed Water Based Epoxy**
- Durable single-component coating
 - Exceptional chemical and abrasion resistance
 - Long-term durability in high-traffic areas

Exterior Finishes

- H** **SuperPaint® Exterior Acrylic Latex**
- Outstanding adhesion, hide and color retention
 - Withstands the elements and resists frost, mildew, peeling, blistering and cracking
 - Can be tinted in VinylSafe® Paint Colors—a limited selection of darker colors formulated to resist warping or buckling when applied to a sound stable vinyl substrate

Recommended Brush: Purdy XL

Recommended Roller Cover: Purdy White Dove

- I** **Resilience® Exterior Acrylic Latex**
- Outstanding hide, coverage and durability
 - Exclusive MoistureGuard™ technology—paint later in the day with less concern about dew or impending rain
 - Can be tinted in VinylSafe® Paint Colors—a limited selection of darker colors formulated to resist warping or buckling when applied to a sound stable vinyl substrate

Recommended Brush: Purdy XL

Recommended Roller Cover: Contractor Series Soft Woven

- J** **ConFlex™ Flexible Concrete Waterproof**
- Exceptional moisture protection
 - Reduces prep and repair time prior to coating and bridges hairline cracks
 - Fast dry times and easy application

- K** **Loxon XP™ Waterproofing Masonry Coating**
- Powerful stain-blocking formula keeps stains from bleeding through reducing the need for repaints
 - Dependable adhesion
 - Can be topcoated in less time than two-coat systems

- L** **Loxon® Self-Cleaning Acrylic Coating**
- Exterior concrete and masonry coating sheds dirt with rain or water contact to keep properties looking attractive
 - Advanced durability, water-shedding, water repellency and dirt pickup resistance
 - Inhibits the growth of mold and mildew on the paint film

Interior/Exterior Finishes

- M** **Solo® Acrylic Interior/Exterior Latex**
- Maximizes application and minimizes inventory and labor costs

Recommended Brush: Contractor Series Nylon/ Poly

- N** **Pro Industrial™ Water Based Alkyd Urethane Enamel**
- The advanced durability of a urethane
 - Super smooth surface and excellent washability of an enamel and the easy application of a waterbased coating

- O** **SnapDry™ Semi-Gloss Door and Trim Paint**
- Dries in as little as one hour and allows doors to be closed without sticking
 - Resists dirt, fingerprints, UV and weathering

Recommended Brush: Purdy Clearcut

Recommended Roller Cover: Purdy White Dove

Primers

- Extreme Block™ Interior/Exterior Primer/Sealer**
- Powerful stain-blocking formula keeps stains from bleeding through reducing the need for repaints
 - Dependable adhesion
 - Can be topcoated in less time than two-coat systems

- Extreme Bond Interior/Exterior Latex Primer**
- Designed to coat hard, glossy surfaces like tile, glass and plastic piping
 - Exceptional adhesion for hard to stick surfaces

- PrepRite® ProBlock® Interior/Exterior Latex Primer/Sealer**
- Adheres to topcoat of slick, glossy surfaces
 - Dries fast and seals out solvent-sensitive stains

- Pro Industrial™ Pro-Cryl® Universal Acrylic Primer**
- Engineered for surfaces where rust and corrosion resistance is critical
 - Water-based alternative to solvent-based metal primers
 - Can be used on bare steel, aluminum, and galvanized substrates

CAULKS AND SEALANTS

General Purpose: Interior/Exterior	950A Siliconized Acrylic Latex Caulk
Kitchens & Bathrooms	White Lightening Kitchen & Bath Silicone Ultra
Exterior Joints	Loxon S1 Smooth Polyurethane Sealant

DECORATIVE CONCRETE — INTERIOR & EXTERIOR

From stampable overlays and textures, color hardeners, solid and semi-transparent stains or dyes and clear sealers, Sherwin-Williams has the concrete coating solutions for sidewalks, patios and driveways that stand the test of time and help you complete your design vision.

UNIFLEX® ROOF COATINGS

Designed to protect original roof systems and help extend the building's life cycle. With up to 90% reflectivity, surface temperatures are reduced resulting in decreased cooling costs and energy savings.
